The Pillars

From the Principal's Desk

It is with immense pride and pleasure that I pen this message for the first edition of our school's Timeline Newsletter 2025. This platform beautifully captures the pulse of our vibrant academic and co-curricular life. This edition stands foremost as it reflects the creativity, hard work, and collaborative spirit of our editorial team, which comprises both our dedicated teachers and our incredibly talented students.

Their concerted efforts have also been ably supported by the students - budding writers, artists, photographers, and those who contemplate

Your commitment to create insightful content that is both engaging and reflective of the school's underlying pulse is truly commendable.

A newsletter is more than just a timeline of events—it is a mirror that reflects our values, our achievements, and our aspirations. Through the pages of this edition, one can see the enthusiasm of the young minds that drive the spirit of our institution. I am especially proud of how our student editorial team has demonstrated maturity, originality, and teamwork in putting this publication together. Your voices matter and you have used them with purpose and pride.

To the teachers who have guided and mentored the team, offering both creative and technical support, I extend my heartfelt thanks. Your encouragement has helped our students take ownership of this platform and grow in confidence and competence.

As we turn these pages, let us also look forward to new ideas, greater student participation, and continued excellence. Let this newsletter inspire others to contribute, to express, and to celebrate the rich tapestry of life at our school.

Congratulations once again to every member of the editorial team. May your efforts continue to shine and may each edition raise the bar a little higher.

Warm regards,

*Dr. Shuchita Gupta

The Students' Editorial Team and our respected teachers extend heartfelt thanks to all the students who shared their writings to enrich our readers' experience. Our creative writing platform is a space to express, explore, and grow — made possible by the constant support and guidance of our teachers. We believe every sincere beginning leads to greater achievements and inspires us to keep improving. We also thank the school administration for motivating us to discover our talents. We promise to continue creating, inspiring, and setting new benchmarks for others to follow.

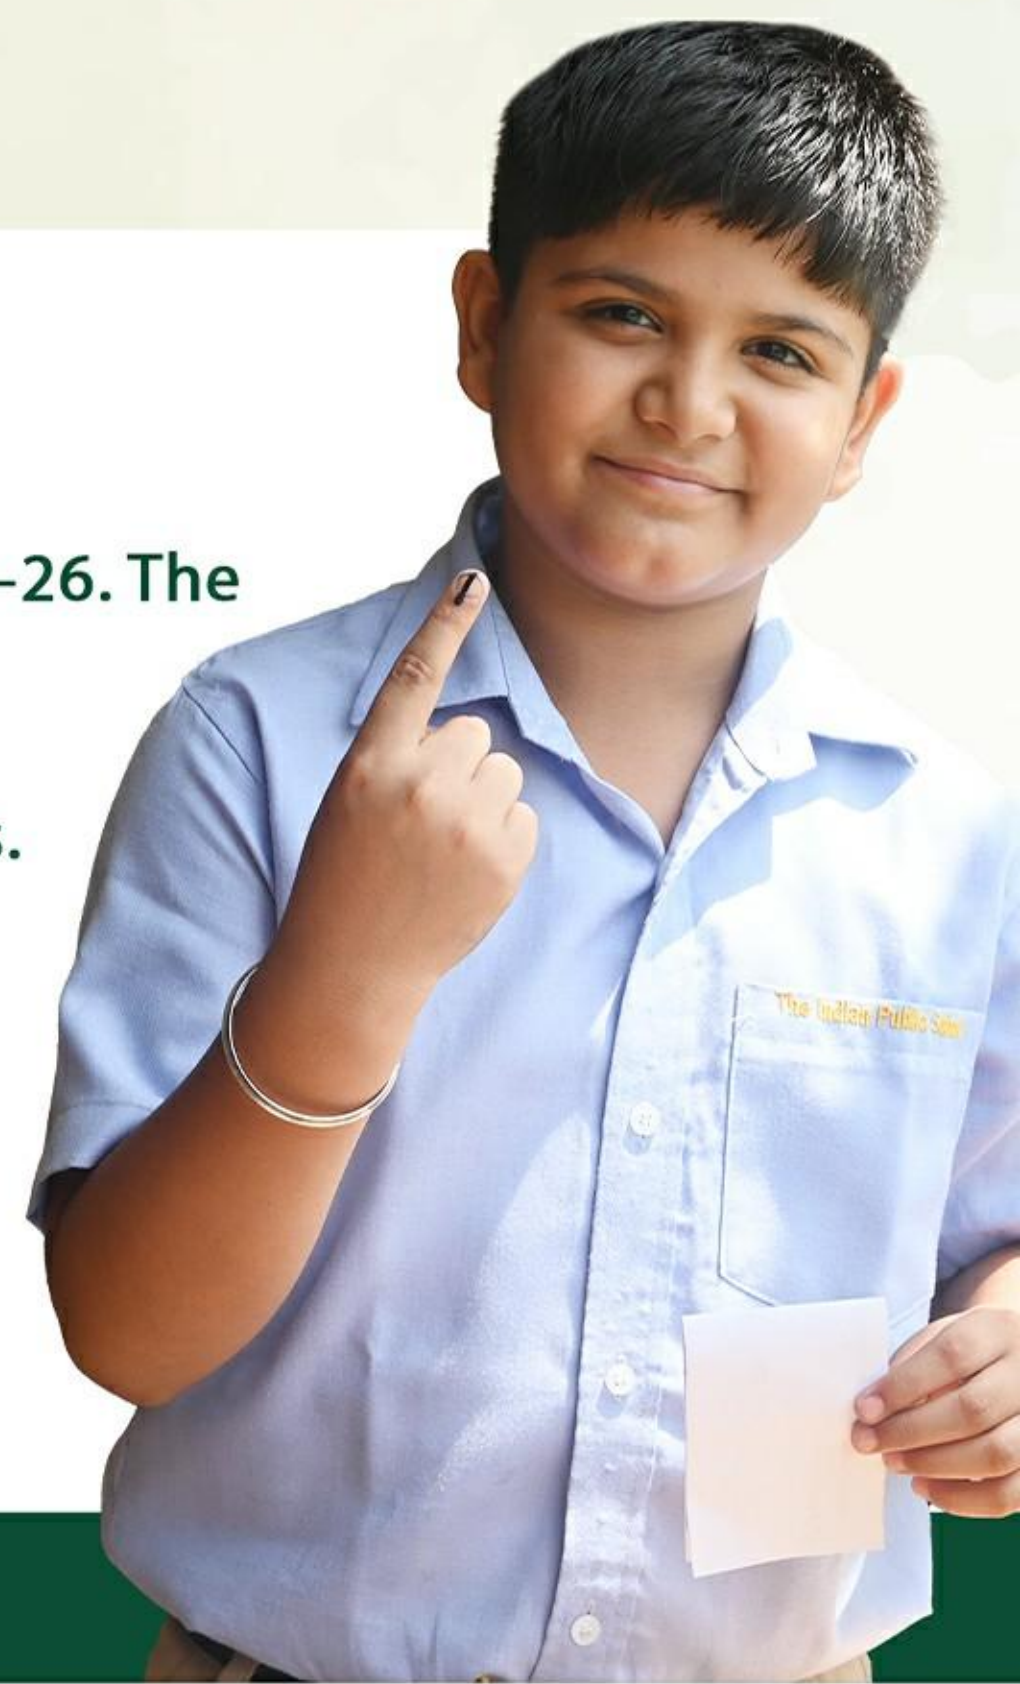

Investiture Ceremony

The Indian Public School conducted the elections for the Prefectorial Body for the academic session 2025–26. The voting process was carried out smoothly under the supervision of Mr. Mani C.V., assisted by the House Masters, Housemistress, and senior staff members.

The election began with Mr. Mani C.V. briefing the students about the rules and procedures of the process. Students then cast their votes class-wise, followed by the staff members. The proceedings were anchored by Mrs. Anuradha Singh, ensuring the smooth conduct of the event.

Addressing the assembly, Dr. Shuchita Gupta highlighted the importance of each vote and the responsibility it entails.

The voting concluded successfully before lunch, marking a well-organized and disciplined democratic exercise within the school community.

Introduction to the Houses

-  Aravali - Ever onwards
-  Nilgiri - Striving for Excellence

Aravali

Ever Onwards! That's the powerful drive behind Aravali House. Led by **Mr. Arun Gusain** and steered by Captains **Yuvraj Yadav** and **Laskit Dolma**, we're showing great promise in games and athletics. Our members are organized, and our unity grows daily. The dedicated support from our House Master and Tutors makes meeting challenges easier. We are determined to maintain our standards and keep bringing home the wins.

-  Shivalik - Step beyond the benchmark
-  Vindhyachal - Aiming for the top

Shivalik

Led by **Mr. Anil Adhikari** and expertly steered by **Anirudh Mohan** and **Anupam Yadav**, our House is expected to make great strides. Though the motto "**Step Beyond the Benchmark**" sets a high standard, the strong sense of belonging within the House makes this task possible. With the well outlined path laid by our House Master and our own forward-looking teamwork, success is certain to further add a feather to its cap. Any start made in earnest and well planned always ends-up in success.

Nilgiri

Our House maintains its winning momentum, led by **Mr. Pushkar Pandey** and Captains **Prince Kumar** and **Alexis Lianthangpuii**. The motto "**Striving for Excellence**" drives us. We treat every competition as a challenge, and our dedicated practice time has led to great success. Our spirit of harmony and cooperation keeps us a unified force, and we hope this strength will allow us to achieve even greater things.

Vindhyachal

This house had significantly improved its performance under the guidance of House Master **Mr. Suresh Singh**, aligning perfectly with the slogan, "**Aiming for the Top.**" The dedicated efforts of House Captains **Aditya Rawat** and **Seema Gupta** have been pivotal.

The 2024-2025 academic session has already yielded numerous accolades, thanks to our winning teams. We look forward to continued overall success, driven by the combined energy and commitment of all House members.

The enthusiastic approach has helped the house to consolidate its position, and there is no reason whatsoever that the house should not surge forward.

Rani Laxmi Bai Girls' Hostel Academic Session - 2025

Dear Parents, Guardians, and Well-wishers,
Greetings from RLB Girls' Hostel!

It gives me great pleasure to share the vibrant journey of our hostel girls through the year 2025—a year marked by growth, empowerment, and shared achievements. The RLB hostel continues to thrive as a nurturing space where every girl learns not only to dream big but also to work with dedication toward those dreams.

Our girls have made us proud by actively participating in numerous inter-house and inter-school competitions, leaving their mark in academics, sports, and cultural events. Their spirit of healthy competition, teamwork, and discipline speaks volumes about their character and the values we uphold at RLB.

In a significant initiative, we introduced self-defense training to equip our students with essential skills and confidence. Their enthusiastic involvement reflected their readiness to grow stronger—physically, mentally, and emotionally.

We were also delighted to welcome new members to our RLB family this year. Their seamless transition into hostel life and the support extended by their peers is a true reflection of the warmth, inclusiveness, and camaraderie that define our hostel culture.

The bond we share with our students and the support we receive from our parents is the foundation of our success. I sincerely thank you for your trust and encouragement. Together, we shall continue to nurture strong, responsible, and compassionate young women.

With sincere appreciation,

Ms. Anuradha Singh

My Hostel – My Second Home

My hostel is truly my second home. Here, I have found a new family—my friends, teachers, and wardens—who care for me, guide me, and support me at every step. At first, I was nervous about hostel life and thought it would be difficult, but now I realize how precious this part of life is. These moments will never come again, and I will always cherish them.

In the hostel, we learn many life skills. We learn to handle situations on our own, become responsible, and live independently. These experiences prepare us for the future and make us stronger. Living in the hostel has taught me discipline, time management, and teamwork.

Our House Master, Vice Principal, and Warden Ma'am take care of us like family. They guide us when we make mistakes and help us become better individuals. Whether we are happy or sad, our teachers are always there for us, just like our parents.

We study, eat, and enjoy together. We celebrate both happiness and challenges as one big family. My friends and I support one another, and together we make beautiful memories.

I have learned so many new things here—how to play chess, ride a bicycle, use computers, and participate in various activities. Hostel life is full of fun, learning, and unforgettable moments. I feel proud to be a part of the Hostel at The Indian Public School.

Discovering the Natural Beauty of Uttarakhand

As a student of The Indian Public School, Dehradun, I am fortunate to live in the mesmerizing land of Uttarakhand. Blessed with snow-capped peaks, dense forests, and glistening rivers, our state is truly a treasure of natural beauty.

The mighty Himalayas stand tall, inviting trekkers and nature lovers from around the world. The holy towns of Rishikesh and Haridwar, with their serene ghats and spiritual energy, offer peace to every soul.

Adventure thrives here — from rafting in the Ganga to skiing in Auli and trekking in the Valley of Flowers. Corbett National Park, with its majestic Bengal tigers, is a jewel for wildlife enthusiasts.

Beyond nature, our cultural heritage is equally vibrant. Festivals like Kumbh Mela and traditional Garhwali and Kumaoni fairs reflect the rich spirit of our people.

Uttarakhand, with its unmatched charm and warmth, is not just a place to visit — it's a place to feel, live, and celebrate every day.

Value of Time

Time is one of the most precious things in life. Once it passes, it never comes back. It is more valuable than anything in the world. No matter how much wealth you have, you cannot buy even a single moment from your past.

When we look back at our past, sometimes we feel regret and other times happiness. We often think, "If only I had the power to change time, I would fix my mistakes." But in the end, those moments—whether good or bad—become memories that shape who we are.

That is why we should respect time. Every second counts. We should live every moment as if it is our last—fully, joyfully, and with gratitude.

Time waits for no one, so make it meaningful while it's here.

Father: Hey, why don't you go and study?

Son: For what?

Father: So you can get a good salary.

Son: Then?

Father: You'll get a new car, a big house, and be able to relax.

Son: What do you think I'm doing right now?

Maths Teacher: What is a line?

Pappu: A line is a dot that's going for a walk.

Teacher: Then what are parallel lines?

Pappu: Two dots going for a walk together—but they never meet!

Celebrate the Journey, Not Just the Destination

Life is like a race, but reaching the destination is not the only thing that matters. As a student of Class 10, I often hear people talking about success only when we achieve something big. However, I believe that true success lies in every small step we take and every small effort we make during our journey.

Many times, we focus so much on the end result that we forget to enjoy the process. We forget to appreciate the efforts, the hard work, and the experiences that shape us along the way. Every small achievement, every small improvement, and even every small failure has its own importance in our journey.

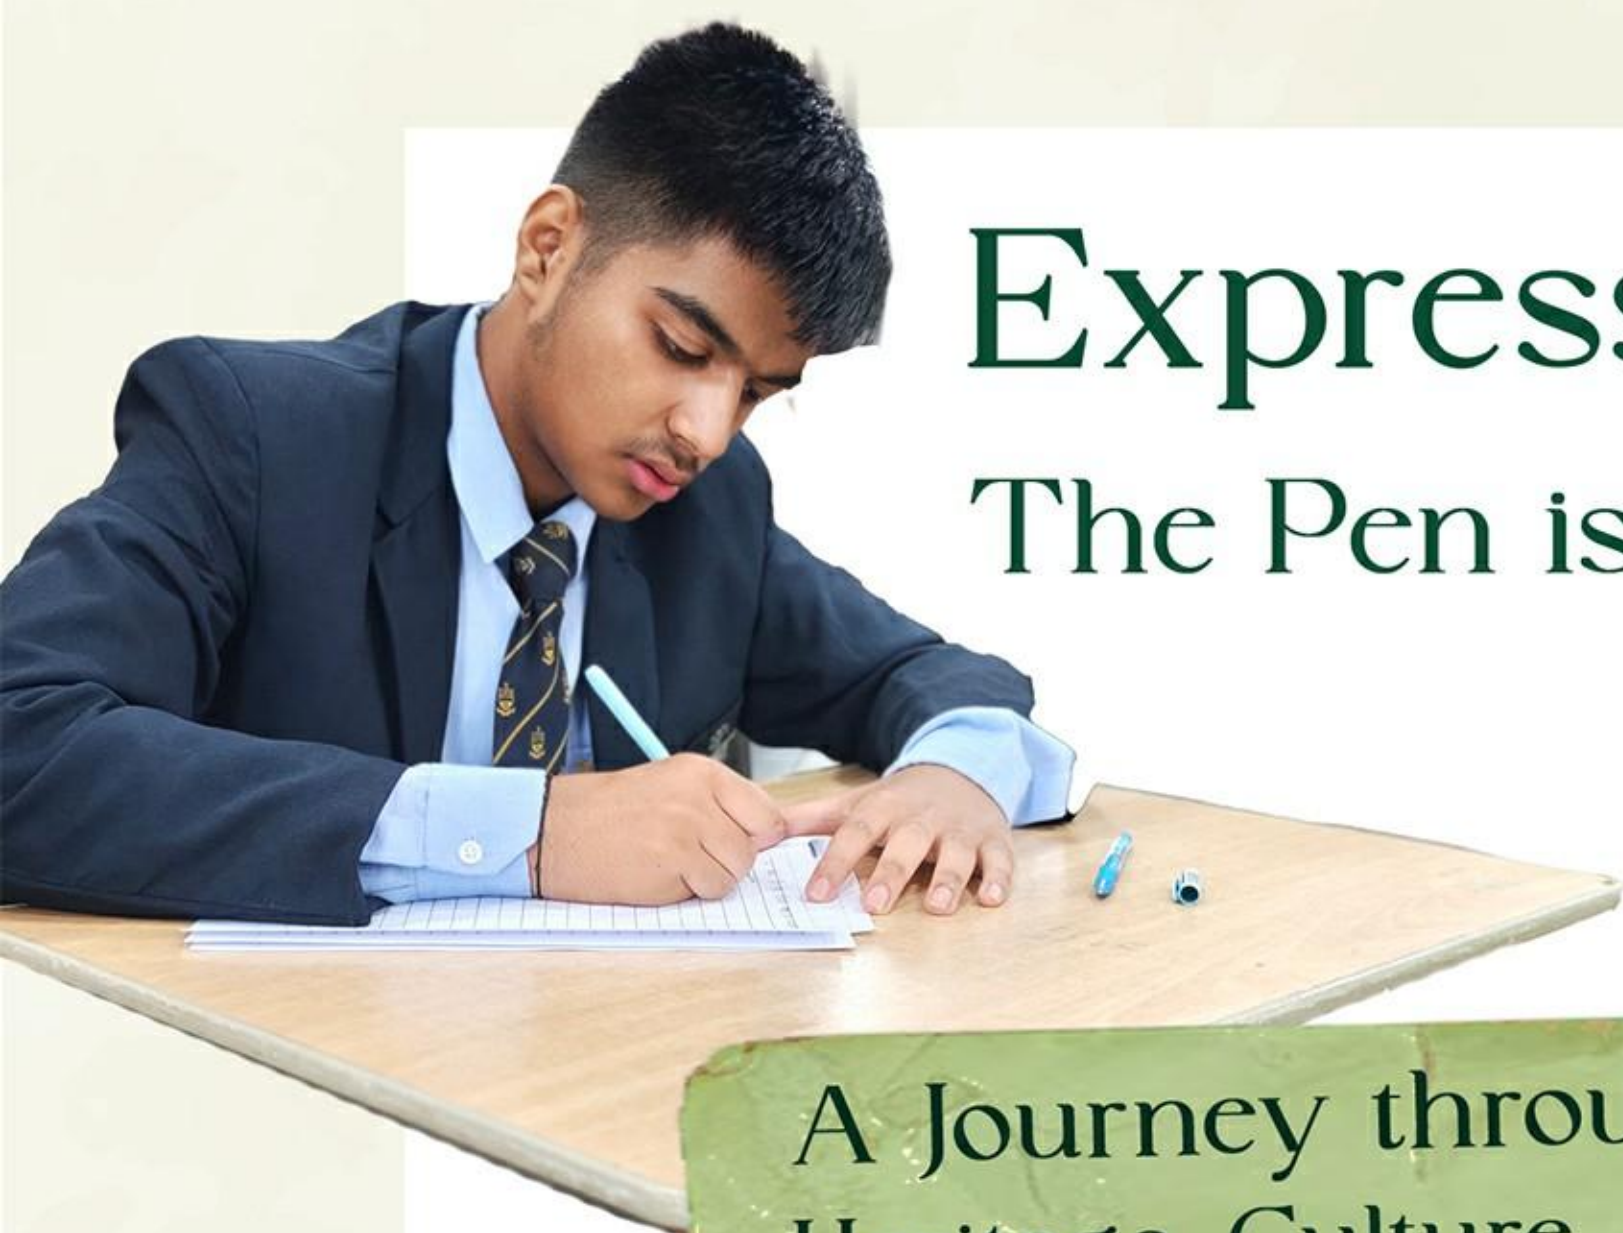

It is important to remember that success is not just about winning awards, topping the class, or achieving high goals. It is also about how we face challenges, how we overcome difficulties, and how we keep moving forward with dedication and hope. Each experience, whether good or bad, teaches us something valuable and helps us grow stronger.

Therefore, we should celebrate not only the destination but also the journey itself. We should cherish our efforts, our learning, and the memories we create along the way. Because at the end of the day, the journey is what makes the destination truly meaningful.

A Journey through Nepal: Heritage, Culture, and Natural Beauty

Nepal, a country with a unique heritage and tradition, has vast diversity in its socio-cultural aspects. The most serene and tranquil place in Nepal is the Pashupatinath Temple, where every year, pilgrims come with great devotion in their hearts.

Nepal's traditional attire has its own beauty — Daura-Suruwal and Shaka Topi for men, and Guniyo-Cholo for women. These traditional clothes are mostly worn by the locals during Nepal's most celebrated festival, Dashain (also known as Dussehra).

The Karnali River connects Nepal to its neighboring countries, such as India and Bangladesh. Nepal is surrounded by beautiful mountain ranges covered with snow, which enhances its breathtaking beauty.

Nepal gained its independence in 2006 from the royal monarchy and is still blooming with the fresh scent of its national flower, the Rhododendron.

Discover Your Local Sweet Shop and Fall in Love!

There is something truly special about the local sweet shop. The smell of freshly made laddoos, cakes, and chocolates fills the air, tempting every passerby. Behind the counter, colorful candies are displayed beautifully, and friendly shopkeepers greet you with a smile.

These shops are not just places to buy sweets—they are little hubs of joy and connection. People gather here to share stories, laughter, and tasty treats. It's where childhood memories are made and sweet moments are celebrated.

Let's continue to support and cherish our local sweet shops so they can remain a beloved part of our community for generations to come.

2025 मेरा हिंदुस्तान

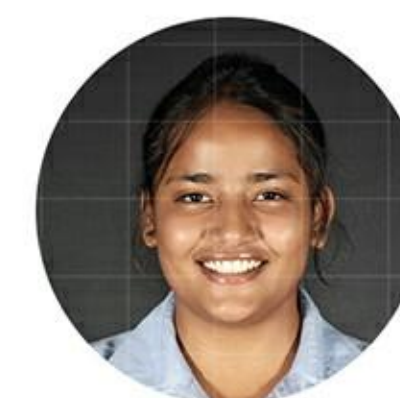

यह मेरी छोटी सी आरजू, प्रभु रखना इसे ध्यान में,
गर फिर से मुझको जनम मिले, तो भेजना हिंदुस्तान में।
इसके सिर पर जो मुकुट सुहाता, गले का हार गंगा जमुना,
हरियाली की साड़ी पहने, पहने फल-फूलों का गहना।
मलय पवन सुगंध फैलाती, मेरे इस हिन्दुतान में,
गर फिर से मुझको जनम मिले, तो भेजना हिंदुस्तान में।
श्री राम कृष्ण की जन्मभूमि हैं, वीर भरत की यह भूमि,
वीर शिवाजी और प्रताप की, गाथाएँ घर-घर घूमिं।
आज़ाद, सुभाष, भगतसिंह जन्मे, इस प्यारे हिंदुस्तान में,
गर फिर से मुझको जनम मिले, तो भेजना हिंदुस्तान में।
इस देश को छोड़ स्वर्ग को जाऊँ, मुझको ऐसी कोई चाह नहीं,
बनूँ मानव या जल, थल, नभचर, मैं नहीं करता परवाह कोई।
जो भी बना सको हे प्रभुजी, बनाना हिंदुस्तान में।
गर फिर से मुझको जनम मिले, तो भेजना हिंदुस्तान में।
मत देना मुझे सोना-चांदी, मत देना हीरे-मोती,
मुझको मिले कुबेर खजाना, ऐसी भी इच्छा नहीं होती।
खुश होते हैं हम यहीं पे रहकर, अपने हिंदुस्तान में,
गर फिर से मुझको जनम मिले, तो भेजना हिंदुस्तान में।
इसके चरणों की धूल अपने, मस्तक पर मैं लगाता हूँ,
इसके एक घूँट गंगाजल में, मैं अमृत भाव को पाता हूँ।
मुझको प्रिय है रूखी-सूखी, अपने हिन्दुस्तान में,
गर फिर से मुझको जनम मिले, तो भेजना हिंदुस्तान में।

रक्त से भीगी वादियाँ
पहलगाम की घाटी सहम गई थी,
जब नफ़रत ने ओढ़ ली थी बारूद की चादर।
धर्म पूछा गया, नाम पूछा गया,
और फिर छिनी गई साँसे बेगुनाहों की।
ना देखा चेहरा, ना सुनी थी दुआएँ,
बस पूछी गई जात, और छिन ली गई ज़िंदगियाँ।
मासूम हँसी से डर गए थे वो,
जो चले थे हाथों में नफ़रत का परचम लिए।
बगीचे, नदियाँ, पहाड़ सब गवाह बने,
कैसे इंसानियत का कत्ल हुआ।
माँओं की कोख सूनी हो गई,
बचपन की किलकारी पत्थर सी चुप हो गई।
लेकिन सुनो, ऐ ज़हर बोने वालों,
यह धरती वीरों की है।
हर आँसू से जन्म लेगा इंकलाब,
हर ज़ख़्म से फूटेगा नया आफ़ताब।
चाहे जितनी आंधियाँ चलें,
हमारे इरादे ना टूटेंगे।
जो पूछ कर मारते हैं नाम,
उनकी नफ़रत को हम जड़ से उखाड़ देंगे।
"चाहे जितनी आंधियाँ चलें,
हमारे इरादे ना टूटेंगे।
जो तोड़ना चाहे हमारा वतन,
उनकी जड़ें ही हम उखाड़ देंगे।"
फिर से वादियों में गूँजेगी अमन की पुकार,
फिर से बहेगी प्यार की मीठी बयार।
क्योंकि यह वतन मिटता नहीं,
यह हर दर्द से और भी खिलता है।
हम नफरत के आगे झुकेंगे नहीं,
हर ज़ख़्म से नया चिराग़ जलाएँगे।
जहाँ टूटा है प्यार का हर सपना,
वहीं फिर से अमन का आसमान बनाएँगे

Activities at a Glance

Co-Curricular & Extracurricular activities are deeply, ingrained feature of a boarding school. It is part and parcel of day to day working of a boarding school. In the last session, the activities were judiciously timed and spaced through the entire term in a way that offered opportunities to students to actively participate and derive the maximum benefit from this important learning exercise.

The new academic session 2025-26 started as per schedule in the month of April-2025. The depth and range of activities charted out for the first three months were conducted. A few activities were also conducted in the month of March, 2025

March 28th – 31st: Mid-Term Break:

During this time, students were divided into two groups. The junior group (classes IV to VIII) went to Harshil and the senior group (classes IX to XII) to Chopta Valley in Uttarakhand. This important exercise is aimed to provide exposure to students and enlighten them about important matters related to nature and its preservation.

The last part of the report comprises the policy blueprint earmarked for implementation. I also wish to add here that as planned earlier to include **NCC**, scouts and guides. **NCC** has been included from this academic session. We will be seeking approval for **Scouts and Guides** programme in the school.

This year we have commenced classes for **IIT-JEE** and **NEET** Aspirants replacing Awasar. Simultaneously, we have undertaken foundation classes for students willing to join Forces, and preparatory classes for those students interested in joining the **RIMC Schools**. Spoken English classes for IV to VIII have also started with renewed and hopefully it will yield fruitful results after a few months. With this I come to the report. The school management looks forward to your valuable suggestions for further improvement in the school's onward progress.

Distinguished Educators and Authors

Dr. Neelam Das and Mr Rakesh Kumar

Our school takes immense pride in the remarkable achievements of two esteemed faculty members, Dr. Neelam Das and Mr. Rakesh Kumar, whose dedication to teaching and research continues to elevate the standard of science education.

Dr. Neelam Das, a dynamic and dedicated Chemistry faculty member, has been an integral part of academic community for over 18 years. Renowned for her exemplary teaching and scholarly contributions, she has authored two significant books —

Mastering Chemistry: A Comprehensive Approach (Ninetale Publishing, Feb 2025), co-authored for JEE, NEET, CUET, and Board aspirants.

Crystal Chemistry (REST Publishers, Mar 2025) is her second book published as a solo author, focuses on crystalline solids for engineering and science students. Her forthcoming book, **Engineering Chemistry**, further reflects her passion for enriching academic resources.

Dr Neelam Das has published many papers in national and international journals like American chemical Society, Indian chemical Society, International General of biochemistry, etc are a few to mention. Also, Her interview was also published in Education magazine.

She has a diverse teaching experience across various National and International curricula .

Mr. Rakesh Kumar, an alumnus of IIT Mandi with a Master's in Chemistry , is a distinguished Chemistry educator and researcher known for his innovative teaching and academic rigour. Co-author of **Fundamentals of Nanoscience: A Conceptual Approach**, he blends theoretical insight with practical application, inspiring curiosity and critical thinking among students. His work reflects a deep commitment to advancing science education and fostering a spirit of inquiry.

Together, Dr. Neelam Das and Mr. Rakesh Kumar exemplify the spirit of intellectual pursuit and innovation, serving as inspiring role models for students and educators alike. Their scholarly contributions underscore our school's enduring commitment to academic excellence and the advancement of education.

Important Events Organised under the Aegis of the School

Renowned Experts Conducted Information Technology Program at The Indian Public School Date: 22/03/2025

The CBSE board recently organized an Information Technology program at The Indian Public School, Dehradun, featuring esteemed experts in the field.

Dr. Sofia Goel, a distinguished CBSE trainer from Vishwa Bharati Public School, Noida, led the program. With a Ph.D. in Computer Science from IGNOU, Dr. Goel brings a wealth of knowledge and experience. Her impressive academic credentials include a Master's degree in IT and B.Ed. from Delhi University. She has also qualified for the NET in Computer Science and authored over 15 books and 20 research papers on the subject.

As an administrator, mentor, and trainer, Dr. Goel has consistently demonstrated her commitment to excellence in education. Her innovative workshops have empowered academicians, and her expertise has been invaluable in conducting educational sessions, developing learning materials, and facilitating impactful discussions.

The program also featured Mr. Santosh Kumar Joshi, Dean and Head of IT Department at Tula's International School. With academic qualifications including M.Tech (CSE), MCA, and BCA, Mr. Joshi has over 18 years of experience in the field. His achievements include serving as Head Examiner for AI and Python, and being a recognized CBSE Resource Person.

The expertise and insights shared by Dr. Goel and Mr. Joshi undoubtedly enriched the program, offering valuable knowledge and inspiration to all participants.

Mid Term Educational Trip Report

"Learning Beyond Classrooms – Where Nature Becomes the Teacher"

Destination: Harshil, Chopta, Tungnath & Devarital, Uttarakhand

Classes: IV to XII

Organized By: The Indian Public School, Dehradun

Trip Dates: 28th March 2025 – 31st March 2025

About the Trip:

On 28th March 2025, a group of enthusiastic students from The Indian Public School, Dehradun set off on a thrilling mid-term educational journey to Harshil, Chopta, Tungnath, and Devarital, nestled in the scenic state of Uttarakhand. The junior and senior group also joined the expedition, providing mentorship and fostering a collaborative spirit.

Trip Highlights:

Camping Experience:

For many students, this was their first experience staying in camps. They embraced the adventure with excitement, connecting with nature and learning outdoor survival – a valuable lesson in independence and self-sufficiency.

Trek to Harshil and Tungnath

On the second day, the junior students embarked on a memorable trek to the Kashi Vishwanath Temple in Harshil, while the senior students trekked to Tungnath, the world's highest Shiva temple. Along the way, they enjoyed breath-taking views, observed local biodiversity, and explored the rich cultural heritage of the Garhwal region.

Student Reflections:

The trip proved to be much more than a break from academics. Students enjoyed quality time with peers and seniors, while developing crucial life skills like teamwork, resilience, and adaptability. These shared experiences have strengthened friendships and sparked personal growth in a natural learning environment.

Return to School:

The both group is scheduled to return on 31st March 2025, carrying back not just memories but lessons for life.

NCC Unit at The Indian Public School

Fostering Discipline, Leadership, and Patriotism

We are proud to announce that the National Cadet Corps (NCC) unit was officially established at The Indian Public School in August 2025. This milestone marks a significant step in our institution's ongoing journey to instill discipline, leadership, and patriotism among students.

Enrollment Details

The enrollment process for the first batch of cadets was successfully completed in August 2025 under the guidance of our dedicated **ANO/CTO, Mr. Suresh Singh**. A total of 26 cadets were enrolled, comprising:

16 Boy Cadets (JD – Junior Division)

10 Girl Cadets (JW – Junior Wing)

The enthusiastic participation of students reflects their keen interest in becoming part of this prestigious national organization and sets a strong foundation for a vibrant and active NCC unit in our school.

NCC Motto: "Unity and Discipline"

The motto of the NCC, "**Unity and Discipline**," embodies the core values it seeks to instill in young cadets:

Unity: Promoting a spirit of togetherness and national integration, transcending barriers of caste, creed, or region.

Discipline: Cultivating self-control, punctuality, and a sense of responsibility — essential qualities for both personal growth and national development.

Through regular training sessions, drills, camps, and community service activities, the NCC aims to nurture confident, responsible, and motivated young citizens who are ever ready to serve the nation with pride and dedication.

We look forward to witnessing our cadets grow under the guidance of this esteemed organization and bring honor to our school and community.
