Shri. R. K. Sinha has been conferred upon with an Honorary Doctorate by the Mahatma Gandhi Central University, Motihari (Bihar), for his significant contribution in the field of journalism, social service, and employment generation. The Doctorate Degree was conferred on him by the Honourable President of India, Mrs. Draupadi Murmu on 19th October, 2023.

Our Chairman

Dr. Ravindra Kishore Sinha graduated in Political Science from Anugrah Narayan College, Patna. He began his career as a journalist. He was a war correspondent during the Indo-Pakistan War of 1971, and proved to be a highly successful investigative journalist. He took an active part in the student movement led by Loknayak Jai Prakash Narayan in 1974-75, and went on to write the book "Jan Andolan" based on his experience.

Dr. Sinha, a first generation entrepreneur started Security and Intelligence Services (India) Limited in 1974. Today, SIS Group is recognised as a leader in security and business support services in the Asia Pacific Region with over 2,80,000 permanent employees. By 2023, SIS has grown to 17,603 corporate customers with a business volume in excess of Rs. 11000 crores.

Dr. Sinha founded 'The Indian Public School' in Dehradun in 2001. The school is excellent in the field of academics, sports, art & culture ensuring the overall development of personality of a child.

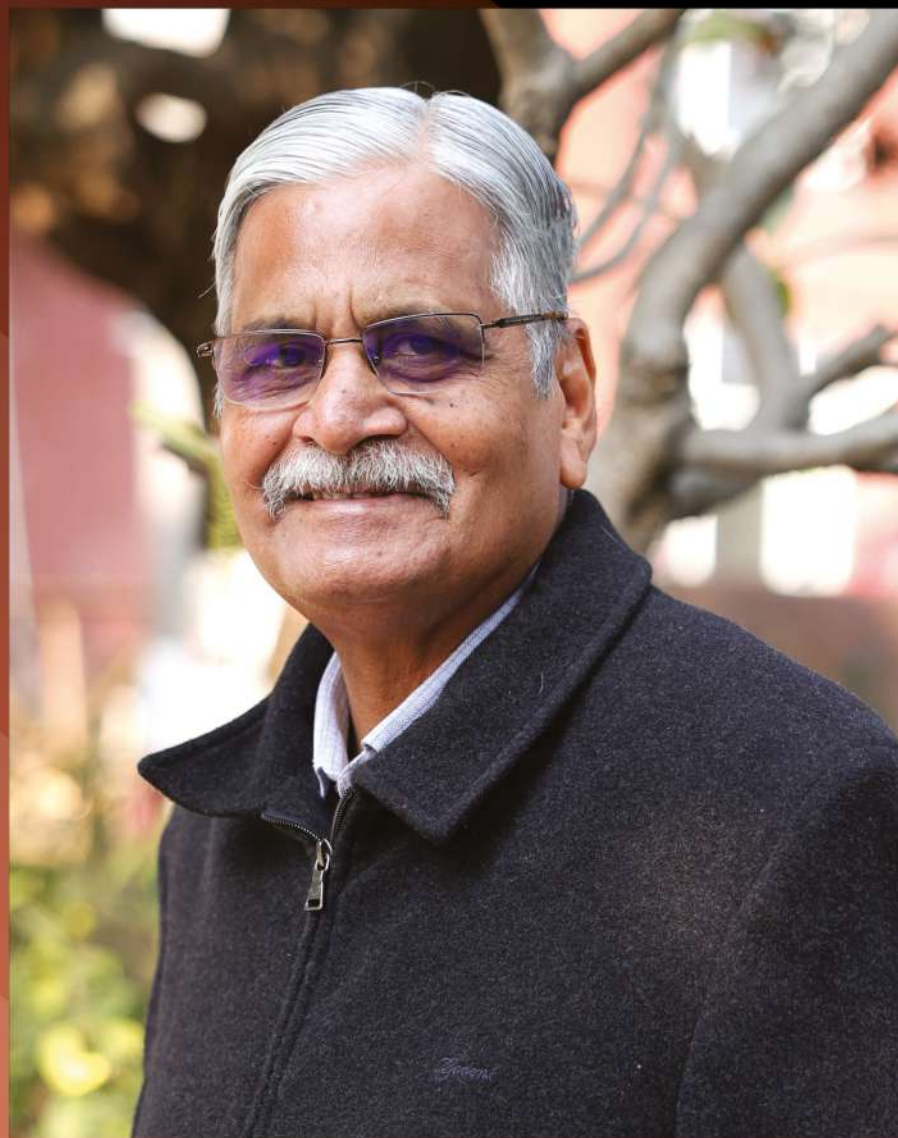

The educational philosophy that inspired Dr. Sinha, the founder-chairman of The Indian Public School, was to provide easy access to parents, who nurture a dream for their wards and ardently wish to educate them in a boarding school, where quality education, firmly rooted in traditional values that have stood the test of time, can fulfill the aspirations of their wards and translated their cherished dreams into reality.

Dr. Sinha has travelled across the globe on lecture tours to attend conferences and seminars in more than 22 countries including the U.S.A., U.K, Canada, Japan, Germany, Australia, the Netherlands, Italy, France, Switzerland, Singapore, etc.

In the Indian government, he has held positions as the Security Advisor to the Prime Minister, related with security arrangements of CSIR establishments. He has also worked as Advisor to union HRD minister, Dr. Murli Manohar Joshi. During this period, he played an important role in overseeing seven ministries and more than 50 national research laboratories.

In February 2014, Dr. Sinha was elected (unopposed) as a Member of Parliament to the Rajya Sabha. During his term as MP, Dr. Sinha did many public service works. As a former MP, Dr. Sinha continues to contribute in every field through social work. He is also a writer of distinction with publications of 20 books to his credit.

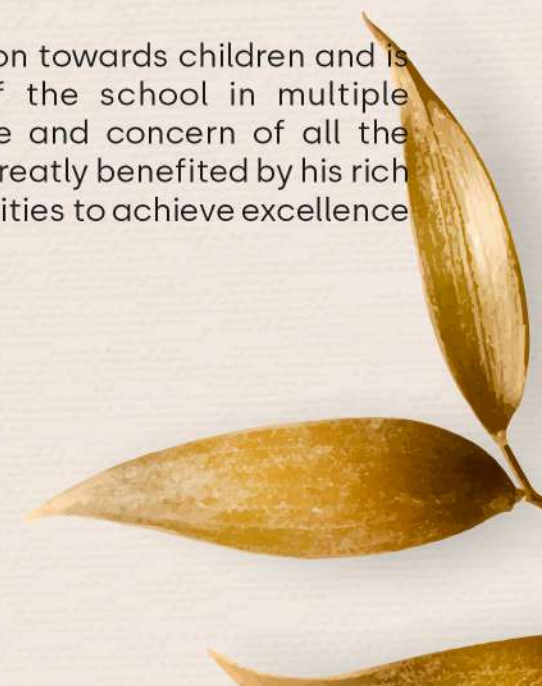

Our Executive Chairman

Mr. Dilip Kotia, former IAS officer (1981 batch), joined The Indian Public School in July, 2023, as its full time Executive Chairman. As an IAS officer, he has worked in Government of India, Government of Uttar Pradesh and Government of Uttarakhand for more than three decades. He has vast administrative experience in various senior positions.

It would be pertinent to mention that our Executive Chairman has a keen interest and specialization in the field of School Education. He also held the position of the Private Secretary to the Union Human Resource Development Minister, Dr. Murli Manohar Joshi for three years. He has also headed the Navodaya Vidyalaya Samiti as its Commissioner, and looked after nearly 600 fully co-educational residential schools (Jawahar Navodaya Vidyalayas) all over the country for more than three years. Apart from the experience in the Government of India, for more than four years, he was Secretary, School Education, Government of Uttarakhand. Mr. Kotia has also worked as District Magistrate of Allahabad, Aligarh, Budaun and Etah districts of Uttar Pradesh. His career spanning over three decades, is benchmarked with distinctive achievements.

Our Executive Chairman has immense affection towards children and is deeply committed towards the growth of the school in multiple innovative ways, thus dedicated to the care and concern of all the stakeholders. The Indian Public School will be greatly benefited by his rich experience and extra-ordinary managerial abilities to achieve excellence in all aspects of boarding school life.

Our Principal

Mr. Samir Dhingra, the Principal of The Indian Public School, is both an acclaimed educator and administrator. He has a long teaching experience of more than 30 years at Mussoorie Public School, Welham Girls ' High School and Welham Boys' school, in different positions including 15 years as HOD - Sciences, as a House Master and Dean of Students' Welfare. A Fulbright Scholar, his additional experience as Controller-1 of Mussoorie Public School, to look after its working, has greatly enhanced his credentials as an able administrator. An active member of the Rotary Club of India and The Indian Association of Physics Teachers, Mr. Samir Dhingra has been a recipient of the Teacher of the year award in the year 2014 and 2015. He was also the Semi-Finalist in the Urban Indian School Senior Category-2016, organised under the aegis of The Global Education & Leadership Foundation. Alongside the long list of professional courses/ workshops, he has attended, is seemingly unending. Some of workshops being as prestigious as conducted by Houghton Mufflin Harcourt. The school management is confident that under his able guidance the progress and advancement of students will take a new dimension.

From The Principal's Desk

“EDUCATION IS THAT SOUND PROCESS THAT ENSURES UNFOLDING OF THE LEARNER’S MIND, IN SUCH A WAY, THAT IT HOLISTICALLY BRINGS ABOUT BALANCE AMONG THE BODY, THE MIND AND THE SOUL”

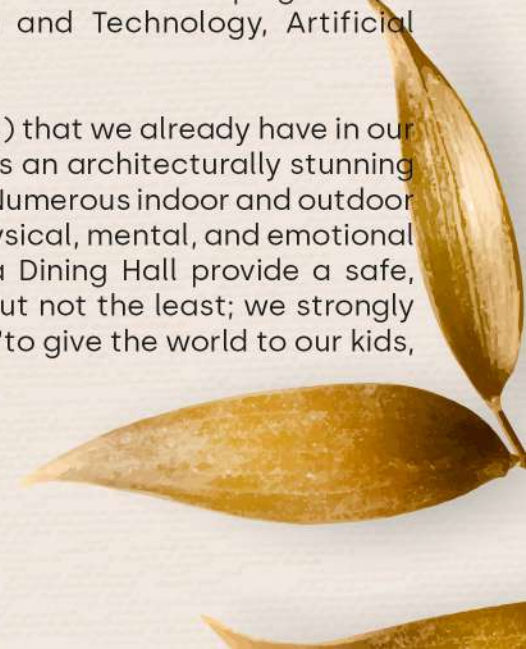

There is no denying the fact that education is the most essential component in human progress. It is definitely not only about scoring meteoric grades, but it is also about the set of life skills that one develops to be at par with the best-NO MATTER WHAT THE CONDITIONS ARE. Being an educationist and an active educator for a lifetime, I have seen firsthand, the wonder of a developing mind as it absorbs a new concept; grasps an idea; or solves an issue successfully. Since 2001, The Indian Public School has produced such winners.

We have a seemingly long list of alumni, who are achieving great success in a wide range of fields, and I have no doubt that in the years to come, their list of accomplishments will only get bigger, but more impressive.

It is not difficult to find the cause of this. We work hard at our school to provide the best possible balance between academics, extracurricular activities, athletics, personality development, life skills, creativity, and analytical thinking, among other things. We instill in our students, the value of kindness, of inclusiveness, and giving. Alongside, we always aim to draw out from the pool of outstanding students and educators, from diverse backgrounds, their creative ideas that contribute immensely to the quality of education imparted at the school and also, in a substantial way, support our rich cultural heritage. You will be happy to know that in order to achieve the aforementioned objectives, we at The IPS, will be adding to our already existing set of facilities for the holistic development of our students. One such additional feature will be a Department of Engineering (the first of its kind in the country) which will be a house for developing skills, in the field of Electronics, Data Sciences, Design and Technology, Artificial Intelligence (AI) and Robotics.

This will be in addition to The Atal Tinkering Lab (ATL) that we already have in our School. This school has an amazing atmosphere, it is an architecturally stunning haven of open areas spanning 80 lush green acres. Numerous indoor and outdoor sporting facilities are available for the student's physical, mental, and emotional well-being. The residential Houses and Annapurna Dining Hall provide a safe, comfortable life for students and staff alike. Last but not the least; we strongly believe that every child is unique. Let us join hands "to give the world to our kids, before we give them to the world".

Thank you

THE INDIAN PUBLIC SCHOOL AN ARCHITECTURAL MARVEL

THE ACADEMIC AND ADMINISTRATIVE BLOCKS

THE LUSH GREEN CAMPUS OF THE SCHOOL IS FURTHER EMBELLISHED BY THE ARCHITECTURAL DESIGN AND LAYOUT OF ITS VARIOUS BUILDINGS.

ALL THE BUILDINGS AT THE SCHOOL ARE ULTRAMODERN IN TERMS OF SIZE, DESIGN, UTILITY AND IN-HOUSE FACILITIES.

THE ACADEMIC AND THE ADMINISTRATIVE BLOCKS DOMINATE THE FRONTAGE. ITS MELLOW COLOURED FACADE AND RECTANGULAR SHAPED DESIGN, PANELED WITH GLASS WORK ADDS TO ITS BEAUTY AND GENTLY MERGES WITH ITS SURROUNDINGS. IT HAS SPACIOUS CLASSROOMS WITH SMART BOARDS AND LED PANELS IN A FEW OF THEM.

THE BRAIN IS A MUSCLE THAT
CAN MOVE THE WORLD

CLASSROOM

THE ART BLOCK

“

The space is well designed for Artwork in the academic block itself. It is the main focal point of attraction for the visitors because of its impressive array of paintings and other art work.

”

THE LABORATORIES

“

The academic block is a marvel of utility dressed in modernity. The Physics, Chemistry, Biology, Mathematics, Language, Computer Laboratories in addition to ATAL Tinkering Lab, greatly affirm this idea.

”

LEARNING RESOURCE CENTRE -THE SCHOOL LIBRARY -

“

The school library with a score of 30,000 books, including subject related reference books, fulfills the growing needs of students. The library is further supplemented by papers, magazines, and other reading material. It also provides the facility of digital access through four terminals located at the library.

In this way, students can access books and reading material from the best libraries of the world.

”

SWAMI VIVEKANANDA STUDENT ACTIVITY CENTRE

“

It is a modern auditorium that
can seat a large number of
audiences, and also provides
spaces for three
badminton courts.

”

THE AMPHITHEATRE

“

This open air venue
is used for performances,
entertainment and
large gatherings.

”

A SUBLIME DINING EXPERIENCE AT THE INDIAN PUBLIC SCHOOL

“

The dining hall of the school is large enough to feed 500 people at a time. It serves nutritious meals to the students and the staff.

The dining hall committee periodically decides the change in menu, in the presence of student members. The dining hall is advised by the dietician as and when required.

The serving of traditional grains like Ragi, Millets on certain occasions has become a hit with both students and staff alike.

The dining hall also serves seasonal vegetables grown in the organic farm, managed by the school and also serves fresh milk and dairy products from the school's dairy, which is again managed by the school authorities.

”

SEPARATE HOSTELS FOR BOYS AND GIRLS

“

There are separate hostels for both boys and girls that are spacious and provided with top class facilities. The hostels also have well-furnished dormitories.

AWASAR COACHING CLASSES: The school management has taken the initiative, by introducing Awasar Coaching Classes for students aspiring to pursue B. Tech in engineering through IIT-JEE Exam, which is indeed appreciable. Awasar Coaching Classes is under the Awasar Trust established by Dr. R. K. Sinha. It is a fully established Coaching Institute with excellent track record of producing good results. These coaching classes have started for class XI, and from the academic session (2024-25), students of classes IX and X will be joining for their foundation course. Later on, this facility will be extended to students interested in pursuing a career in Medicine.

The Indian Public School ensures equitable placement of new students on their arrival at the campus after admission. This ensures fairness to the four houses, namely **Aravalli, Nilgiri, Shivalik and Vindhyachal**. Each house has sufficient space for more than 90 students. Each House is under the charge of a House Master who is responsible for the well-being of the students. He is assisted by the warden of the house, and the tutors. You will be happy to know that our tutor-tutee ratio is 1:5. The tutor is a faculty member attached to the house, to look after the academic progress of the students and their overall requirements and well-being at the hostel and the school. Students compete for their house in Inter-house activities, and are encouraged by their house motto.

HEALTH AND WELLNESS AT THE INDIAN PUBLIC SCHOOL

- ◀ The Indian Public School accords top priority to the overall well-being of students and staff of the school. The school infirmary plays a vital role in this regard. It is managed by professionally trained healthcare staff comprising a male and a female nurse who are on campus to look after the medical needs of both the students and the staff. Moreover, the school has contracted with Graphic Era Hospital, a leading privately managed hospital to handle any emergency situation. The school also carries out periodic health check-ups of the students under the supervision of a visiting doctor. For any emergency the school has its own ambulance.

ORGANIC FARMING

- ◀ The Indian Public School is sprawled in 80 acres of land, of which, 30 acres have been converted into an organic farm. Seasonal vegetables and fruits grown here are supplied to the School Dining Hall. These vegetables and fruits are further supplemented by pure milk and milk products from the School Dairy. In addition to this, millet, and grains of this variety also add to the novelty of meals at the school.

A DAY AT THE INDIAN PUBLIC SCHOOL

- ◀ At The Indian Public School, students are trained to regulate their daily routine. Life at IPS begins at 5:45am with the rouser bell. All the students are busy till 1:55pm for their Academic Study. After lunch, the second half of the day accommodates sports, supervised prep and dinner at 8:00pm. After dinner, the students have a free window which they can use either for self-study or to catch up with healthy reading habits.

SAFETY AND SECURITY OF THE STUDENTS

- ◀ A safe and secure environment is a pre-requisite for effective teaching and learning. The IPS Management accords top most priority to the safety and security of its students and staff. Each staff member in turn, inspired by duty and morally bound, is to ensure the safety and security of students. It is managed by trained SIS professionals. The SIS is one of the largest man-power security firms in Indo-Pacific region, which in addition to its manual surveillance also provides CCTV surveillance, to each and every corner of the campus. Above all, the families of staff living in the campus also provide a feeling of security, in addition to a warm touch of home to the students.

NOTEWORTHY *Alumni* OF THE INDIAN PUBLIC SCHOOL

"Ties that were forged in the past and fondly remembered are never forgotten"

The Indian Public School has a strong alumni network. The placement of its students in important positions is indeed noteworthy and a subject of pride for the school management, staff and the existing students. Although the alumni list seems endlessly long, yet some of the alumni and their achievements deserve special mention here. The space allocated always falls short of expectation. Please find herewith, the placements of some of our Alumni :

Rishabh Pant **2010**

We feel proud to inform our readers that, the famous Indian Cricketer, Rishabh Pant, studied in the school for two years (2009 and 2010). At the school, he had the initial exposure to cricket. Every year, The School organizes Late S. P. Sinha All India Inter- School Cricket Tournament in which more than 30 teams participate. He also took part in the tournament as member of The School Cricket Team. Thereafter, he decided to go all out for cricket, and later joined a cricket academy. According to him: "Whenever I make new strides in my career, I always remember my institute with gratitude. It gave me a strong foundation in cricket that has come very handy in my career as a sports person"

Pranay Kumar **2007**

It is indeed a proud moment for us to introduce Mr. Pranay Kumar, an alumni of The Indian Public School who joined our ranks and is presently serving the school, as a Rugby Coach. Mr. Pranay plays for Haryana at the national level. He has the distinction of winning seven gold medals in a row: five by winning the national championship and two at the 36th National Games and the 37th one, played in Ahmedabad and Goa respectively
